Dear Stuart and Aharon,
Larry and I want to thank you for last night. Everything was delicious and the whole evening ran perfectly smoothly! We really appreciate it. And please feel free to use us as a reference if anyone needs one for a potential catering job. Also, the two guys you brought to help did a great job.

Thanks and see you soon!
Ellen

Stu: Thank you & Aharon very much; the breakfast was delicious and the leftovers are being enjoyed by the rest of the office staff right now!
We'll be back!

*Hi Stuart,
I just wanted to let you know that the food was a hit again!! The bride to be loved it and Dr. Kramer was very impressed. I gave Dr. Kramer the updated menus that were with the order.*

*Thanks again for all your hard work and wonderful food,
Debbie*

Dear Chef Aharon and Stuart,

I cannot tell you how much we enjoyed last evening. My friend from CO was just as enchanted as I was the first time I came for a tasting. I will not go thru the whole menu...way too much to praise...well, why not. The fig amuse bouce was such a treat, esp for someone who doesn't get figs that often! Each appetizer was delicious, probably the salmon ribbon was my fav with the unique fillings, w. mushroom ravioli- awesome ---never even imagined those before. Bouillabaisse was (I don't know how) both rich and light - wonderful and all topped with your delicious desserts. And the pear-basil take home - delicious gift for us!

Well, not enough detail to satisfy you, I know, but my quest for a delightful dinner has been sated for a short while!

Much to my embarrassment, I realized this morning, the morning after, that I had totally neglected to leave a tip. I assure you that I shall be by within the next few days to leave such. YOU have my most humble apologies.

Again my thanks for being there and for all of your attentions to make such a visit pure delight. I shall see you very soon!

Stu,
The food was a huge success at our Holiday Party. I will be recommending you to everyone I know. Dr. Kramer and Dr. Zambelli-Weiner were very impressed also. I'm sure you will be getting return business from our office and the Dr's.

Thanks for everything,
Debbie

The party last night was a rousing success and a lot had to do with Aharon and the fantastic display of food. Each thing was delicious and the crowd was WOWED!!! Thanks for helping put it all together and I'm only sorry you couldn't have been there to join us, Barbara

Dear Stuart and Aharon,

We just want to thank you again for an outstanding party. The food, presentation and servers/bartender were fabulous. Everything was delicious. The brie and trifle were, as the expression goes, "to die for". We have received many calls and emails complimenting the food. Aharon came up with a perfect menu. It was very creative, different and fun, which was exactly what we wanted.

Again, thanks for making our 60th party so special.

Best regards,
Carol and Richard Milner

Stuart and Aharon,

Diane and I had a delightful time at your Chef's Table dinner last evening. The food was exquisite!

Again, we had a fabulous time and look forward to returning with friends.

Best regards,

Mark and Diane Freeland

Dear Chef and family,

Thanks so much for a real treat! We ladies had a great time. Rather than a total blanket compliment, I'd like to make it a bit more specific. And warn you now that I've had no sense of smell in 12 years. I loved the appetizers, even with the mesclun salad tasting pretty similar to one I make; scallops delicious and too was the stuffed pepper..... I enjoyed the chicken, and the stuffed burger and onion marm. with sweet potato fries (YUM) I REALLY loved the salmon (how do you keep it so crisp?) and the duck wraps (which is how I ate - lovely idea, great sauce. Turkish gelato with phylo nest was delicious - I'm with you, a break from ultra sweet. Can't beat the fruit crumble - great combinations. And the "brownie" was also delicious.

Sorry can't be more specific...but thank you for a memorable meal...keep 'em coming. I've already referred others to your table.

I was very happy with the way things went for my mom on her mothers day dinner a few weeks ago. Thanks again for the quality customer service.

Good morning Stuart. I just wanted to take a minute to say thank you for the food, which was absolutely delicious and plentiful. Everyone enjoyed it! Mazel Tov again to you, your wife and daughter! It was a great two days for all of us, and the beautiful weather helped to make it a perfect celebration!

Again, thank you and hope to see you soon! Arlene.

Thanks so much. Everyone really enjoyed your delicious food, amongst them the Souppeddler. Will see you again.
Thanks, Susan Ansel

Hi Stuart,

I hope you and your family had a Happy Passover.
The food was delicious. We enjoyed eating it as much as you and the rest of the gang enjoyed making it.
The Gefilta Fish was exceptional. The kids inhaled the brisket and potatoes. Everything was good and we thank you for helping us have a wonderful and joyous Seder.
You can expect many more orders from us.
I guess you will see Micha and Shawn at the JCC this week as they try to work if off.

Take Care.
Best Regards,
Joan Vardi
